TRADE AND DEVELOPMENT BOARD

LIST OF NON-GOVERNMENTAL ORGANIZATIONS PARTICIPATING IN THE ACTIVITIES OF UNCTAD

1. Rule 77 of the rules of procedure of the Trade and Development Board provides for the participation of non-governmental organizations in the activities of UNCTAD. In accordance with Board decision 43 (VII), a distinction is made between international non-governmental organizations which exercise functions, and have a basic interest, in most of the activities of the Board and of its subsidiary bodies, and those which have a special competence in, and are concerned with, specific matters falling within the terms of reference of one or two subsidiary bodies or of the Board itself. The former are placed in the General category and the latter in the Special category.

2. National non-governmental organizations of recognized standing which are deemed to have a significant contribution to make to the work of UNCTAD may be entered by the Secretary-General of UNCTAD in a Register established for that purpose.

3. As at end September 1999, there are 185 non-governmental organizations included in the list provided for in rule 77 of its rules of procedure: 102 in the General category and 83 in the Special category. In addition, the Secretary-General of UNCTAD has entered 12 national non-governmental organizations in the Register. The list of organizations follows.
